

REMARKS

Claims 1 to 9, and 14 to 23 are in the application. Claims 10 and 12 have been cancelled. Claims 19 to 23 have been added and Claim 1 has been amended. Applicants reserve their right to file continuation or divisional applications on all cancelled or deleted subject matter. Support for the newly added claims lie in the working examples, in the specification, on page 5, lines 5 – 19, or in the claims as originally filed. No new matter is believed added.

The Examiner has restricted the application under the provisions of 35 USC §121 into the following 3 groups:

Group I, Claims 1 to 11 and 15 to 18 drawn to compound of Formula (I), classified in various subclasses of 548, 549, and 514.

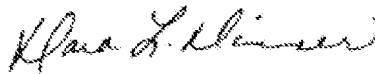

Group II, Claim 12 drawn to a method of use of the compounds of claim 1, classified in various subclasses of class 514.

Group III, Claim 14 drawn to a process for preparing a compound of Formula (I) as claimed in claim 1, classified in various subclasses of classes 548 and 549.

Applicants elect the compounds of Group I, Claims 1-9 and newly added claims 19 to 25, without traverse. The method claims have been cancelled. The process claims remain in the application as withdrawn for rejoinder purposes. Applicants also elect the compound of Example 1 as an election of a single species as requested by the Examiner. All the claims in the application read upon this species. It is the first named species in Claim 8.

Should the Examiner have any questions or wish to discuss any aspect of this case, the Examiner is encouraged to call the undersigned at the number below. If any additional fees or charges are required by this paper the Commissioner is hereby authorized to charge Deposit account 19-2570 accordingly.

Respectfully submitted,
